

Reforming LCS-Rnet activities: some suggestions

- Knowledge sharing in relation to policy in timely manner
 - Through meeting, web site, bi lateral information exchange ,...
 - ⇒re cognition of increasing importance of LCS concept
- Enhance by sharing research interest and conducting joint research
- Promoting much more sophisticated approach to strategic planning and communication
- Aligning with funders and NGOs, introducing more joint activities
- Enhance visibility and more policy maker interactions , support of other than Japan Gove. Been needed
- Expanding network beyond G8 countries, including G20 etc...
