

LOW CARBON SOCIETY RESEARCH NETWORK 4TH MEETING: DRAFT AGENDA

17-18 September 2012

Venue: St. Anne's College, Oxford, UK

DAY 1: 17 September 2012

10:00	Arrival, Registration and Refreshments (<i>Ruth Deech Building, Foyer</i>)	
10:30 (30 mins)	Introductory Session (<i>Tsuzuki Lecture Theatre</i>) Welcome Introduction to the meeting	Chair: Mark Winskel (UKERC, Edinburgh University) Nick Eyre (ECI) and David Warrilow (DECC) Shuzo Nishioka (IGES) and Jim Skea (Imperial College)
11:00 (105 mins)	Plenary Session 1: Transforming the energy system: national and regional perspectives (<i>Tsuzuki Lecture Theatre</i>) Chair: Sergio La Motta (ENEA)	
20 mins talks with 5 mins Q & A each speaker	Energy transformation in a developed economy: the UK Energy transformation in lower income developing economies Sustainable renewables development in Brazil	Jim Skea (Imperial College) Yacob Mulugetta (UN Commission for Africa) Marcelo Poppe (CGEE, Brazil)
12:45	Lunch (<i>Dining Hall</i>)	
14:00 (90 mins)	Parallel Sessions 1	
10 mins talks with 10 mins Q & A each speaker	Decarbonising Energy Supply (<i>Seminar Room 7</i>) Chair: Stefan Lechtenboehmer (Wuppertal Institute) Carbon capture and storage in Italy: Giuseppe Giradi (ENEA) Integrated assessment of the potentials for CCS in India, China, RSA: Stefan Lechtenboehmer (Wuppertal Institute) Ralph D. Torrie (Trottier Energy Futures Project) Electricity market reform in the UK : Richard Green (Imperial College Business School)	Reducing Energy Demand (<i>Seminar Room 8</i>) Chair: Mikiko Kainuma (NIES) Energy efficiency in Italy: Rino Romani (ENEA) Changing behaviours - the Japanese Setsuden experience post-Fukushima: Hideyuki Mori (IGES) Driving energy efficiency in the UK: Liz Owen (DECC) Germany energy efficiency policy: Wolfgang Eichhammer (Fraunhofer ISI)

15:30	Refreshment Break (<i>Ruth Deech Building, Foyer</i>)
16:00 (90 mins)	Plenary Session 2: Science-policy interaction and the low carbon transition (<i>Tsuzuki Lecture Theatre</i>) Chair: Mark Winskel (UKERC, Edinburgh University)
15 mins talks with 5 mins Q &A each speaker	<p>Technology and policy assessment in the UK Phil Heptonstall (Imperial College)</p> <p>Science in global policy (or case of Korea) Hoesung Lee (Keimyung University, Vice Chair of IPCC)</p> <p>Decision process of new energy plan after Fukushima: re-examining cost, scenario setting and economic evaluation"? Shuzo Nishioka (IGES)</p> <p>Transition in German context Peter Hennicke (Wuppertal Institute)</p>
17:30 (30 mins)	Future of LCS-RNet Chair: Jim Skea (Imperial College) Discussion introduced by Shuzo Nishioka , Secretary-General, LCS-RNet Secretariat and Hiroshi Tsujihara, Ministry of the Environment, Japan
18:00	Close
19:00	Reception (<i>Jesus College</i>)
19:30	Dinner (<i>Jesus College</i>)

DAY 2: 18 September 2012

09:00 (30 mins)	Keynote Address (Tsuzuki Lecture Theatre) Coordinated initiatives by international organisations to promote green growth Chair: Jean-Charles Hourcade (CIRED) Stéfan Hallegatte (World Bank)	
09:30 (105 mins)	Plenary Session 3: International co-operation and finance Chair: Sergio La Motta (ENEA)	
15 mins talks with 10 mins Q &A each speaker	Climate policy and financial system reform	Jean-Charles Hourcade (CIRED)
	Trade competitiveness and carbon leakages	Michael Grubb (University of Cambridge)
	Technical and scientific cooperation (Title TBC)	Tomonori Sudo (Japan International Cooperation Agency (JICA))
	The UNFCCC process	Joyeeta Gupta (Free University)
11:15	Refreshment Break (Ruth Deech Building, Foyer)	
11:45 (75 mins)	Parallel Sessions 2	
15 mins talks with 10 mins Q &A each speaker	Regional Co-operation: Asian case study (Seminar Room 7) Chair: Mikiko Kainuma (NIES) Regional co-operation to realise low carbon development in Malaysia: Ho Chin Siong (Universiti Teknologi) Development of Thailand's NAMAs for low-carbon greengrowth: Bundit Limmeechokchai (Thammasat University) Designing low carbon development in Indonesia: Rizaldi Boer (Bogor Agriculture University)	Global Approaches (Seminar Room 8) Chair: Jean-Charles Hourcade (CIRED) Delivering Climate Compatible Development (Title TBC) Sam Bickerseth (CDKN) Title TBC: Fabio Eboli (CMCC/FEEM) Cities & Green Growth: Joaquim Oliveira Martins (OECD)
13:00	Lunch (Dining Hall)	

14:15 (90 mins)	Plenary Session 4: Low carbon transitions as lever for sustainable development <i>(Tsuzuki Lecture Theatre)</i> Chair: Peter Hennicke (Wuppertal Institute)
20 mins talks with 10 mins Q &A each speaker	<p>Potentials and constraints of world agriculture across the 21st century Thierry Brunelle (LSCE/CIRED)</p> <p>Urbanization, urban infrastructure and low carbon cities Shobhakar Dhakal (AIT)</p> <p>Post Carbon Pathways project John Wiseman (University of Melbourne)</p> <p>UK 2050 Pathways Calculator Matt Webb (Department of Energy and Climate Change)</p>
15:45	Refreshment Break <i>(Ruth Deech Building, Foyer)</i>
16:15 (60 mins)	Final Debate: Will we navigate recovery from the financial crisis to a sustainable future? <i>(Tsuzuki Lecture Theatre)</i> Chair: Mark Winskel (UKERC, Edinburgh University) Panellists: Jean-Charles Hourcade (CIRED); Adrian Gault (Climate Change Committee)
17:15	Close and Drinks Reception <i>(Ruth Deech Building, Foyer)</i>
