Transforming values of 'success' and a 'good society/lifestyle'.

- Expansion of budget air travel
- Growth of online shopping
- Social media & sharing economy
- Technological breakthroughs in line with reformation of the financial/economic/governance systems.

Uneven wealth, power and opportunities distribution

- 'Decision makers' and 'implementers'
- 'Top 1%', 'middle class' and 'poor'

Attrition/weakness of the public sector and public service

- Communications vs. Advertising
- 'Brain drain' from public to private sector
